You may pay your dues online by going to our website at www.wba-md.org. Please be sure to include both your state and local chapter dues. Please note that state dues are pro-rated between January and April of each year and members joining during that time need only pay one-half of the state dues and the full amount of chapter dues. If you elect to upgrade your membership to a Benefactor or Sustaining Member, your chapter dues are owed in addition thereto.

Alternately, you may make your payment for both your state and chapter dues, by check, made payable to "Women's Bar Association of Maryland" and forward your payment to:
