

BROADER THAN OURSELVES

Spring Event Training and Judge Bell Award Dinner

Sponsored by the ADR Section of MSBA

Presented by Dr. Kenneth Cloke

Consultant and Trainer in Mediation, Dialogue, and Conflict Resolution Systems

Specific Topics:

How do we help others conduct meaningful discussions of highly contentious, values-based topics?

How do we build trust between adversaries in difficult circumstances where time is limited, history is long, and positions have hardened?

How do we exercise our responsibility as citizens without losing what we've learned as conflict resolvers?

Lunch Topic:

Ken will help us learn how to increase our effectiveness as Collaborative Practitioners and mediators by coming from a place of curiosity, compassion and inquiry, rather than judgement, advocacy, and control. Ken will provide hundreds of questions to shift conversations, broaden perspectives, refocus priorities and engage the hearts of people in conflict.
