Please join us as we continue our partnership with HCPSS to be a resource for the young women in our community!

We will welcome 30 young women from the Howard County Public School System's Oakland Mills and Wilde Lake High Schools for a luncheon event. These students were chosen because they may benefit from additional support and affirmation regarding their college and career potential.

Small groups of attorneys will be paired at tables with corresponding groups of students for structured ice breakers and discussion. The keynote speaker will address the group over lunch. The event will conclude with a final activity for the attorneys and students.¹

We hope to get strong participation with at least one attorney attending for each student invited. Please reserve your calendar and space now.

**RSVP by ---- to Andrea LeWinter at andrealewinter@verizon.net; cost \$25/person
this fee covers lunch for one attorney and one student;
please pay at the event or send a check to HCWBA Treasurer, Cary Jacobson, 5850
Waterloo Drive, Suite 140, Columbia, MD 21045**

If you can attend for only part of the event, we welcome you, but please let us know so we can plan accordingly.
