

WOMEN'S HISTORY MONTH CELEBRATION and PROGRAM

Women Who Advocate for Equity, Diversity and Inclusion

Recognizing women who understand that, for a positive future, we need to eliminate bias and discrimination entirely from our lives and institutions.

The Women's Bar Association of Maryland in collaboration with our sister specialty bar associations will present a program recognizing this year's theme: *Women Who Advocate for Equity, Diversity and Inclusion*.

Join us for an evening of insight, sharing, and learning about challenges facing women in the legal profession with diverse backgrounds and experiences. This will be an interactive program featuring an esteemed panel of representatives from our partner bar associations and offering opportunities for participants to ask questions and share their own experiences.

We will explore issues surrounding equity, diversity, and inclusion such as:

- ❖ Who have been your biggest allies in the legal community and how have they supported you?
- ❖ What are some examples of when you felt included in the legal community and when you felt excluded?
- ❖ What success has your association had in achieving goals of equity, diversity, and inclusion for your members?
