5th Annual HCWBA

Girls Outreach Program

Please reserve your space now to participate in our program for teen Howard County girls, **“Discovering Your Path”**

We need as many members as possible to engage with the girls!!

The girls who attend have been specifically selected by their educators as individuals who would benefit from active encouragement and inspiration for them to pursue college and a career.

The program will again be held in the Rouse Student Services Hall at Howard Community College. Lunch will be provided; specific itinerary to follow.

Please register by clicking [here](#), or by emailing JGuzman@PenaterLaw.com

Payment of \$45 registration fee and any (deeply appreciated!) sponsorship payments may be paid [online](#), or paid by check to the “HCWBA” at the event.
